Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning your account’s rewards. Account transactions and activities may take one or more days to post and settle to the account and all must do so during the Monthly Statement Cycle in order to qualify for your account's rewards.

Beginning on August 1, 2024, a statement cycle will begin at the close of the prior month’s statement cycle and run through the last business day* of the current month for all accounts. The qualification cycle** for obtaining Synergy Rewards or Synergy Cashback Rewards will be the same as the statement cycle.

*Business days do not include Saturday, Sunday, or Bank Holidays.

Qualification Cycle is the time in which a customer must have **10 or more debit purchases of \$10.00 or more post to and settle their account (for Synergy Rewards only) and one direct deposit or one automatic payment post to and settle their account and be enrolled and receive eStatements via Online Banking. This must occur on or after the Monthly Statement Cycle Begin Date and finish no later than the Monthly Statement Cycle End Date.

Please note: Because the Qualification Cycle and the Statement Cycle will be the same going forward, this will be the last schedule to be issued. Stop into your local branch or call 413-743-0001 with questions.
